Annex to the certificate of verification of the self-declared environmental claims:

Verification process

INSPECCO Zertifizierungs- und Inspektionsdienste GmbH verify the self-declared environmental claim on the recycled content in the MNG PLASTIK GOGIC d.o.o. product family with reference to the EN ISO 14012: 2016.

Objectives and methodologies have been defined by MNG PLASTIK GOGIC d.o.o. in the following document:

- Technical File MNG PLASTIK GOGIC d.o.o. Self-declared 2024

Roles and responsibilities

MNG PLASTIK GOGIC d.o.o. determined responsibility for the production process, maintenance of procedures and records relating to the self-declared environmental assertion relating to the content of recycled material present in the components in the products listed in table 1.

INSPECCO Zertifizierungs- und Inspektionsdienste GmbH is responsible for the formulation of an independent verification statement regarding the self-declared environmental claim relating to the recycled content of the products of MNG PLASTIK GOGIC d.o.o. Associated with the assertion and calculated in the manner defined by the "TECHNICAL FILE" revision 02 of the 02 / 02 / 2024.

For this purpose, INSPECCO Zertifizierungs- und Inspektionsdienste GmbH carried out a third-party check on the self-declared environmental claim.

Targets

The objectives of this audit are, on the basis of the review of objective evidence, the independent review relating to:

- Whether the environmental statement has been drafted in accordance with the requirements of the chapter 5,6, 7.8 of EN ISO 14021: 2016
- Whether the environmental statement has been drawn up in compliance with the specific technical requirements contained in the "TECHNICAL FILE" revision revision 02 of the 02 / 02 / 2024.

Criteria

Verification was based on the purpose, objectives and criteria agreed between MNG PLASTIK GOGIC d.o.o. and INSPECCO Zertifizierungs- und Inspektionsdienste GmbH on 03.08.2021.

The reference criteria considered for the verification are those of ISO 14021: 2016, and of the "TECHNICAL FILE" revision 02 of the 02 / 02 / 2024
